

Mid-Module Celebration

- The first mini-module celebration will occur six weeks into ConneXions; the remainder of these celebrations will be scheduled every 12 weeks.
- These celebrations should occur on the scheduled weekend. Sunday afternoons will probably be the most suitable time for this event.
- This will be a time where the participant receives encouragement from the various members of his support community (growth you've seen, things God has shown you etc.)
- This is a flexible time so be **creative** and **make it memorable!**
- The Pastoral Coach will set up and run the celebrations (**location, time, place, and getting everyone together**).
- This celebration is a small celebration with just the participant, his Pastoral Coach, Intercessor, and Host Home.
